Index to Volume 19: Subject

Acquired immunodeficiency *syndrome* immunodeficiency syndrome
East of the West Nile (Abrams), 399 (Editorial)

Adolescence
Predictors of initiation of early sex in black and white adolescent females (Felton and Bartoces), 59
Sexual risk taking among Taiwanese youth (Yeh), 68
Smoking patterns among ninth-grade adolescents in the Pitkäranta district (Russia) and in eastern Finland (Kemppainen et al), 30

African Americans
Interventions to promote physical activity among African American women (Banks-Wallace and Conn), 321
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
Predictors of initiation of early sex in black and white adolescent females (Felton and Bartoces), 59

Aged
An interactive technology approach to educate older adults about drug interactions arising from over-the-counter self-medication practices (Neafsey et al), 255
Development and evaluation of an instrument to measure seniors' attitudes toward the use of bathroom grab bars(Lockett et al), 390
Health-promoting behaviors of elderly Korean immigrants in the United States (Sohng et al), 294
Living arrangements and health status in later life: a review of recent literature (Hays), 136
Mexican American elders' use of skilled home care nursing services (Crist), 366
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170
Population-based osteoporosis education for older women (Curry et al), 460

Allergies
A plan for the delegation of epinephrine administration in nonpublic schools to unlicensed assistive personnel (Truglio-Londrigan et al), 412

America
Freedom to be... (Shamansky and Graham), 1 (Editorial)

American Indians
A participatory assessment of environmental health concerns in an Ojibwa community (Severtson et al), 47

Asthma
eloping a school asthma policy (McGhan et al), 112

Attitudes
Development and evaluation of an instrument to measure seniors' attitudes toward the use of bathroom grab bars (Lockett et al), 390

Bathroom safety devices
Development and evaluation of an instrument to measure seniors' attitudes toward the use of bathroom grab bars (Lockett et al), 390

Bicycling
Development and pilot testing of a bicycle safety questionnaire for adult bicyclists (McCoy), 440

Bioterrorism
Preserving our mission (Berkowitz), 319 (Editorial)

Blacks; see African Americans

Breast self-examination
Factors associated with breast self-examination among Jordanian women (Petro-Nustus and Mikhail), 263

Caregivers
Determinants of exercise in adults with cerebral palsy (Heller et al), 223

Cerebral palsy
Determinants of exercise in adults with cerebral palsy (Heller et al), 223

Child
Developing a school asthma policy (McGhan et al), 112
Dropping out of maternal and child home visits (Josten et al), 3
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment(Huebner), 377
Maternal characteristics and maternal limit-setting styles (LeCuyer-Maus and Houck), 336
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
A program to prevent iron poisoning using public health nurses in a county health department (Broderick et al), 179
The role of the nurse on a transdisciplinary early intervention assessment team (Stepans et al), 238

Child abuse
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment (Huebner), 377

Chronic disease
The advent of high-tech home care in Germany (Ewers), 309

Churches
Client perceptions of parish nursing (Wallace et al), 128
Key elements for church-based health promotion programs: outcome-based literature review (Peterson et al), 401

Client retention
Dropping out of maternal and child home visits (Josten et al), 3

Collaboration
The role of the nurse on a transdisciplinary early intervention assessment team (Stepans et al), 238

Community health workers
Outcome effectiveness of community health workers: an integrative literature review (Swider), 11

Community organization
A Nursing Model of Community Organization for Change (Anderson et al), 40

Computers
An information system for community nursing (Šušteršič et al), 184

An interactive technology approach to educate older adults about drug interactions arising from over-the-counter self-medication practices (Neafsey et al), 255

Contamination
Assessment of community contamination: a critical approach (Clark et al), 354

Cultural factors; see also Ethnic factors; Racial factors
Interventions to promote physical activity among African American women (Banks-Wallace and Conn), 321
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191

Curriculum
Health care delivery system influences changes in nursing educational materials (Baldwin et al), 246
Mapping the future of environmental health and nursing: strategies for integrating national competencies into nursing practice (Larsson and Butterfield), 301

Developmental disabilities
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272

Diabetes mellitus
The role of social support in the self-management of diabetes mellitus among a Hispanic population (Gleeson-Kreig et al), 215

Diet
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170

Disabilities
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
The role of the nurse on a transdisciplinary early intervention assessment team (Stepans et al), 238

Discipline
Maternal characteristics and maternal limit-setting styles (LeCuyer-Maus and Houck), 336

Drug interactions
An interactive technology approach to educate older adults about drug interactions arising from over-the-counter self-medication practices (Neafsey et al), 255

Economics
Social justice or market justice? the paradoxes of public health partnerships with managed care (Drevdahl), 161

Editorials
East of the West Nile (Abrams), 399
Freedom to be... (Shamansky and Graham) The importance of maternal mental health during pregnancy: theory, practice, and intervention (Spietz and Kelly), 153
Presenteeism...or when being there is not being there (Shamansky), 79
Preserving our (Berkowitz), 319
Silent voices (Russell), 233

Education, continuing
Mapping the future of environmental health and nursing: strategies for integrating national competencies into nursing practice (Larsson and Butterfield), 301

Education, nursing
Health care delivery system influences changes in nursing educational materials (Baldwin et al), 246
Interdisciplinary collaboration: a study in progress (Cannon et al), 235
Selected factors associated with students' perceptions of threat in the community (Morin et al), 451
A win[n]win model for an academic nursing center: community partnership faculty practice (Shiber and D'Lugoff), 81

Education of patient; see Patient education

Effectiveness studies
Outcome effectiveness of community health workers: an integrative literature review (Swider), 11

Elderly; see Aged

Empowerment
Learning to be a normal mother: empowerment and pedagogy in postpartum classes (Aston), 284
A Nursing Model of Community Organization for Change (Anderson et al), 40

Environmental health
Assessment of community contamination: a critical approach (Clark et al), 354
East of the West Nile (Abrams), 399 (Editorial)
Mapping the future of environmental health and nursing: strategies for integrating national competencies into nursing practice (Larsson and Butterfield), 301
A participatory assessment of environmental health concerns in an Ojibwa community (Severtson et al), 47

Epinephrine
A plan for the delegation of epinephrine administration in nonpublic schools to unlicensed assistive personnel (Truglio-Londrigan et al), 412

Ethnic factors; see also Cultural factors; Racial factors
Mexican American elders' use of skilled home care nursing services (Crist), 366
A portrait: Magdalena's dream (Averill), 156
Predictors of initiation of early sex in black and white adolescent females (Felton and Bartoces), 59
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191
The role of social support in the self-management of diabetes mellitus among a Hispanic population (Gleeson-Kreig et al), 215
Silent voices (Russell), 233 (Editorial)

Exercise
Determinants of exercise in adults with cerebral palsy (Heller et al), 223
Development and expert evaluation of "Moms on the Move," a physical activity intervention for WIC mothers (Fahrenwald and Sharma), 423
Interventions to promote physical activity among African American women (Banks-Wallace and Conn), 321

Key elements for church-based health promotion programs: outcome-based literature review (Peterson et al), 401

Faculties
A win[n]win model for an academic nursing center: community partnership faculty practice (Shiber and D'Lugoff), 81

Finland
Smoking patterns among ninth-grade adolescents in the Pitk[um]aranta district (Russia) and in eastern Finland (Kemppainen et al), 30

Freedom
Freedom to be... (Shamansky and Graham), 1 (Editorial)

Germany
The advent of high-tech home care in Germany (Ewers), 309

Health care accessibility
Effectiveness of a mobile medical van in providing screening services STDs and HIV (Liebman et al), 345

Health care literacy
Interdisciplinary collaboration: a study in progress (Cannon et al), 235

Health disparity
Silent voices (Russell), 233 (Editorial)

Health promotion
Health-promoting behaviors of elderly Korean immigrants in the United States (Sohng et al), 294
Home visitation practice: models, documentation, and evaluation (Drummond et al), 21
Interventions to promote physical activity among African American women (Banks-Wallace and Conn), 321
Key elements for church-based health promotion programs: outcome-based literature review (Peterson et al), 401
Outcome effectiveness of community health workers: an integrative literature review (Swider), 11

Health status
Living arrangements and health status in later life: a review of recent literature (Hays), 136

Hispanics
Mexican American elders' use of skilled home care nursing services (Crist), 366
A portrait: Magdalena's dream (Averill), 156
The role of social support in the self-management of diabetes mellitus among a Hispanic population (Gleeson-Kreig et al), 215

HIV
East of the West Nile (Abrams), 399 (Editorial)
Effectiveness of a mobile medical van in providing screening services for STDs and HIV (Liebman et al), 345
TB-HIV registry matching in Missouri, 1987–1999 (Libbus et al), 470

Home environment
Living arrangements and health status in later life: a review of recent literature (Hays), 136

Home health care
The advent of high-tech home care in Germany (Ewers), 309
Home care nursing in Japan: a challenge for providing nursing in good care at home (Murashima et al), 94
Mexican American elders' use of skilled home care nursing services (Crist), 366
Perception of risk by administrators and home health aides (Kendra), 86

Home visits
Dropping out of maternal and child home visits (Josten et al), 3
Home visitation practice: models, documentation, and evaluation (Drummond et al), 21
Perception of risk by administrators and home health aides (Kendra), 86

Hypertension
An interactive technology approach to educate older adults about drug interactions arising from over-the-counter self-medication practices (Neafsey et al), 255

Immigrants
Health-promoting behaviors of elderly Korean immigrants in the United States (Sohng et al), 294
Mobilizing the community to address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191

India
Mobilizing the community to address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209

Indians
A participatory assessment of environmental health concerns in an Ojibwa community (Severtson et al), 47

Inequality
Silent voices (Russell), 233 (Editorial)

Infant
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment (Huebner), 377

Information system
An information system for community nursing (Šušteršič et al), 184

Instrument development
Development and evaluation of an instrument to measure seniors' attitudes toward the use of bathroom grab bars (Lockett et al), 390

Iron poisoning
A program to prevent iron poisoning using public health nurses in a county health department (Broderick et al), 179

Japan
Home care nursing in Japan: a challenge for providing good care at home (Murashima et al), 94

Job productivity
Presenteeism...or when being there is not being there (Shamansky), 79 (Editorial)

Jordan
Factors associated with breast self-examination among Jordanian women (Petro-Nustus and Mikhail), 263

Korea
Health-promoting behaviors of elderly Korean immigrants in the United States (Sohng et al), 294
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191

Lice
A population-based approach to pediculosis management (Monsen and Keller), 201

Living arrangements
Living arrangements and health status in later life: a review of recent literature (Hays), 136

Managed health care
Social justice or market justice? the paradoxes of public health partnerships with managed care (Drevdahl), 161

Mental health
The importance of maternal mental health during pregnancy: theory, practice, and intervention (Spietz and Kelly), 153 (Editorial)

Mexicans; see Hispanics Migrant farm workers
A portrait: Magdalena's dream (Averill), 156

Mobile medical services
Effectiveness of a mobile medical van in providing screening services for STDs and HIV (Liebman et al), 345

Models
Home visitation practice: models, documentation, and evaluation (Drummond et al), 21
A Nursing Model of Community Organization for Change (Anderson et al), 40
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191
A win[n]win model for an academic nursing center: community partnership faculty practice (Shiber and D'Lugoff), 81

Mothers; see also Women
Development and expert evaluation of "Moms on the Move," a physical activity intervention for WIC mothers (Fahrenwald and Sharma), 423
Dropping out of maternal and child home visits (Josten et al), 3
The importance of maternal mental health during pregnancy: theory, practice, and intervention (Spietz and Kelly), 153 (Editorial)
Learning to be a normal mother: empowerment and pedagogy in postpartum classes (Aston), 284
Maternal characteristics and maternal limit-setting styles (LeCuyer-Maus and Houck), 336
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
Mobilizing the community to address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209

Mycobacterium tuberculosis
TB-HIV registry matching in Missouri, 1987[n]1999 (Libbus et al), 470

Nutrition
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170

Ojibwa Indians
A participatory assessment of environmental health concerns in an Ojibwa community (Severtson et al), 47

Osteoporosis
Population-based osteoporosis education for older women (Curry et al), 460

Outcomes analysis
Outcome effectiveness of community health workers: an integrative literature review (Swider), 11

Parenting
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment (Huebner), 377
Learning to be a normal mother: empowerment and pedagogy in postpartum classes (Aston), 284
Maternal characteristics and maternal limit-setting styles (LeCuyer-Maus and Houck), 336
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104

Parish nursing
Client perceptions of parish nursing (Wallace et al), 128

Partnerships
Social justice or market justice? the paradoxes of public health partnerships with managed care (Drevdahl), 161
Awin model for an academic nursing center: community partnership faculty practice (Shiber and D'Lugoff), 81

Patient compliance
Dropping out of maternal and child home visits (Josten et al), 3
Factors associated with breast self-examination among Jordanian women (Petro-Nustus and Mikhail), 263

Patient education
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment (Huebner), 377
Population-based osteoporosis education for older women (Curry et al), 460
A program to prevent iron poisoning using public health nurses in a county health department (Broderick et al), 179

Pediculosis
A population-based approach to pediculosis management (Monsen and Keller), 201

Perception
Client perceptions of parish nursing (Wallace et al), 128
Perception of risk by administrators and home health aides (Kendra), 86
Selected factors associated with students' perceptions of threat in the community (Morin et al), 451

Physical activity; see Exercise Poisoning
A program to prevent iron poisoning using public health nurses in a county health department (Broderick et al), 179

Policy making
Developing a school asthma policy (McGhan et al), 112
A plan for the delegation of epinephrine administration in nonpublic schools to unlicensed assistive personnel (Truglio-Londrigan et al), 412
Population health
A population-based approach to pediculosis management (Monsen and Keller), 201
Population-based osteoporosis education for older women (Curry et al), 460
Preserving our mission (Berkowitz), 319 (Editorial)
Postpartum period
Learning to be a normal mother: empowerment and pedagogy in postpartum classes (Aston), 284
Pregnancy
The importance of maternal mental health during pregnancy: theory, practice, and intervention (Spietz and Kelly), 153 (Editorial)
Mobilizing the community to address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209
Prenatal care
Mobilizing the community address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209
Presenteeism
Presenteeism...or when being there is not being there (Shamansky), 79 (Editorial)
Primary health care
Primary health care for Korean immigrants: sustaining a culturally sensitive model (Kim et al), 191
Productivity
Presenteeism...or when being there is not being there (Shamansky), 79 (Editorial)
Public Health Nursing
Freedom to be... (Shamansky and Graham), 1 (Editorial)
Public Health Nursing
Preserving our mission (Berkowitz), 319 (Editorial)
Punjabi
Mobilizing the community address the prenatal health needs of immigrant Punjabi women (Bhagat et al), 209
Questionnaires
Development and pilot testing of a bicycle safety questionnaire for adult bicyclists (McCoy), 440
Racial factors; see also Cultural factors; Ethnic factors
Silent voices (Russell), 233 (Editorial)
Rape
A community-based approach to sexual assault (Hatmaker et al), 124
Registries
TB-HIV registry matching in Missouri, 1987–1999 (Libbus et al), 470
Respite care
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
Risk factors
Assessment of community contamination: a critical approach (Clark et al), 354
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
Evaluation of a clinic-based parent education program to reduce the risk of infant and toddler maltreatment (Huebner), 377
Perception of risk by administrators and home health aides (Kendra), 86
Predictors of initiation of early sex in black and white adolescent females (Felton and Bartoces), 59
Risk taking
Development and pilot testing of a bicycle safety questionnaire for adult bicyclists (McCoy), 440
Sexual risk taking among Taiwanese youth (Yeh), 68
Rural health
Interdisciplinary collaboration: a study in progress (Cannon et al), 235
Maternal resources, parenting, and dietary patterns among rural African American children in single-parent families (Lee et al), 104
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170
A portrait: Magdalena's dream (Averill), 156
Russia
Smoking patterns among ninth-grade adolescents in the Pitk[um]aranta district (Russia) and in eastern Finland (Kemppainen et al), 30
Safety
Development and evaluation of an instrument to measure seniors' attitudes toward the use of bathroom grab bars (Lockett et al), 390
Development and pilot testing of a bicycle safety questionnaire for adult bicyclists (McCoy), 440
Selected factors associated with students' perceptions of threat in the community (Morin et al), 451
Schools
Developing a school asthma policy (McGhan et al), 112
A plan for the delegation of epinephrine administration in nonpublic schools to unlicensed assistive personnel (Truglio-Londrigan et al), 412
Schools, nursing
Health care delivery system influences changes in nursing educational materials (Baldwin et al), 246
A win[n]win model for an academic nursing center: community partnership faculty practice (Shiber and D'Lugoff), 81
Self-efficacy
Health-promoting behaviors of elderly Korean immigrants in the United States (Sohng et al), 294
Self-medication
An interactive technology approach to educate older adults about drug interactions arising from over-the-counter self- medication practices (Neafsey et al), 255
Sexual assault nurse examiner
A community-based approach to sexual assault (Hatmaker et al), 124
Sexual intercourse
Predictors of initiation of early sex in black and white adolescent females (Felton and Bartoces), 59
Sexual risk taking among Taiwanese youth (Yeh), 68
Sexually transmitted diseases
Effectiveness of a mobile medical van in providing screening services for STDs and HIV (Liebman et al), 345

Smoking
Smoking patterns among ninth-grade adolescents in the Pitk[um]aranta district (Russia) and in eastern Finland (Kemppainen et al), 30
Social justice
Assessment of community contamination: a critical approach (Clark et al), 354
Social justice or market justice? the paradoxes of public health partnerships with managed care (Drevdahl), 161
Social support
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272
The role of social support in the self-management of diabetes mellitus among a Hispanic population (Gleeson-Kreig et al), 215
Stress, psychological
Effects of respite care for children with developmental disabilities: evaluation of an intervention for at risk families (Cowen and Reed), 272

Taiwan
Sexual risk taking among Taiwanese youth (Yeh), 68
Team building
The role of the nurse on a transdisciplinary early intervention assessment team (Stepans et al), 238
Technology
The advent of high-tech home care in Germany (Ewers), 309
Threat
Selected factors associated with students' perceptions of threat in the community (Morin et al), 451
Tuberculosis
TB-HIV registry matching in Missouri, 1987–1999 (Libbus et al), 470

United States dietary guidelines
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170
United States of America
Freedom to be... (Shamansky and Graham), 1
(Editorial)
Universities
Interdisciplinary collaboration: a study in progress (Cannon et al), 235
Unlicensed assistive personnel
A plan for the delegation of epinephrine administration in nonpublic schools to unlicensed assistive personnel (Truglio-Londrigan et al), 412

Violence
A community-based approach to sexual assault (Hatmaker et al), 124

West Nile virus
East of the West Nile (Abrams), 399
(Editorial)
Women; see also Mothers
Factors associated with breast self-examination among Jordanian women (Petro-Nustus and Mikhail), 263
Interventions to promote physical activity among African American women (Banks-Wallace and Conn), 321
Key elements for church-based health promotion programs: outcome-based literature review (Peterson et al), 401
Midlife and older rural women's adherence to U.S. dietary guidelines across stages of change in healthy eating (Pullen and Walker), 170
Population-based osteoporosis education for older women (Curry et al), 460
Women, Infants, and Children (WIC) Program
Development and expert evaluation of "Moms on the Move," a physical activity intervention for WIC mothers (Fahrenwald and Sharma), 423
